

# UK eVisa & ETA

# Overview

- Travel requirements to the UK are changing. This includes moving from physical immigration documents to eVisas and introducing Electronic Travel Authorisation (ETA) which is a digital permission to travel.
- If you hold a UK visa and use a biometric residence permit or card to prove your immigration status, get access to your eVisa before you travel and make sure your passport details are up to date: [www.gov.uk/eVisa](http://www.gov.uk/eVisa) .
- If you already have an eVisa, please tell the UK Government about the passport you intend to use for travel:  
[www.gov.uk/update-uk-visas-immigration-account-details](http://www.gov.uk/update-uk-visas-immigration-account-details) .
- If you do not need a visa to visit the UK for short stays of up to six months, you will need an Electronic Travel Authorisation (ETA). Check when you need an ETA to travel to the UK and apply: [www.gov.uk/electronic-travel-authorisation](http://www.gov.uk/electronic-travel-authorisation)
